

# JR IAS

## CIVIL SERVICE

"Great leaders aren't born they're nurtured early.  
Start your child's journey to serve the nation today."

# OVERVIEW

## Junior IAS | IPS: Shaping Tomorrow's Civil Service Leaders, Today

Is your child inspired by leaders who shape the nation?

The Junior IAS Program is the ideal launchpad for students from 6th to 10th standard to begin their journey toward a career in the civil services.

This program goes beyond textbooks—fostering critical thinking, leadership, and analytical skills that form the backbone of future IAS preparation. Students dive into real-world topics like logical reasoning, current affairs, social studies, mathematics, and governance all delivered through dynamic, age-appropriate learning experiences.
